No. 587
Hungary-Military

21 November 1952

Dear

My S.D.S.C.E. contact tells me that General ZAKO (my letter No. 571 of 6 November 1952) is expected tomorrow at Paris on a trip arranged with their agreement.

Zako is expected to (1) talk with the S.D.S.C.E. which is anxious to preserve his military group, (2) see Archduke OTTO, the Austro-Hungarian pretender, (3) meet with Hungarian political and military emigres, and (4) talk to his "friends" in the French MRP and RPF groups which support him and many other military emigres.

I shall perhaps get some data on this visit next week. The French appear to regard it as important, both politically and militarily, and I expect that they will try to come to some definite settlement with Zako. Their position appears to be somewhat affected by Zako's possible appeal to French political figures.

Sincerely,
